# **Investor Update** Financial year end transaction processing and distribution timetable

This notice is to inform you of the timetable for financial year end transaction processing, distribution payments and tax statements (as applicable) for the following:

- Advance Investment Funds (Wholesale and Retail classes)
- Mercer Funds (including the Wholesale Mercer Funds)
- Mercer Indexed Funds
- Mercer Multi-manager Funds (Wholesale and Retail classes)
- Managed Portfolio Series Funds (CoreSeries).

These are collectively referred to as 'the Funds'. A detailed list of the Funds covered by this notice is included in Table 1 which commences on page 3.

During the financial year 2023/24, a number of funds were terminated and wound-up. For the estimated release dates for the 30 June 2024 tax statements for these funds, see Table 2 on page 7.

#### Transaction processing delays from 1 July 2024

In July each year, we delay the calculation of daily unit prices for up to 20 business days to finalise the distributions and tax calculations for each Fund for the previous financial year. Daily unit pricing will recommence once the distribution for a Fund has been finalised and (if relevant) paid.

During this period, we will continue to accept application and withdrawal instructions. However these instructions will only be processed when we recommence daily unit pricing and have calculated the daily unit prices for this period. Any applications and withdrawal instructions received on a day during this period will be processed following the end of this period using the relevant unit price for that day; e.g. if

#### Page 2

an application is received on Monday 8 July prior to 3pm, it will be processed using the unit price calculated for Monday 8 July.

Because withdrawals will be processed once unit pricing is recommenced, payment of withdrawal proceeds will also be delayed. Applications are unaffected by the delay since they will be processed using the unit price applicable to the day of the application.

For more information on the estimated dates for the recommencement of daily unit pricing and transaction processing for the Funds, please refer below.

#### Financial year end timetable

The Funds have been arranged into four processing groups to allow for the efficient processing of distributions and tax calculations. For a list of the Funds in each group, please refer to Table 1 on page 3.

The table below provides the estimated dates for processing distribution payments (if relevant), the recommencement of daily unit pricing and transaction processing and the expected release date for tax statements for each processing group.

Fund processing group	Estimated processing date for distributions*^	Estimated date recommencement of unit pricing and transaction processing*	Estimated release date for tax statements*

4	23/7/2024	25/7/2024	25/7/2024

\*Note these are indicative timeframes and they may be subject to change at any time.

^Please allow approximately three business days for a distribution to be paid into your nominated bank account.

#### What do you need to do?

If you are planning to make a withdrawal, please send in your correctly completed Withdrawal Form before 3pm Friday 28 June to avoid delays. Forms are available on our website at <u>mercer.com.au/mercerfunds</u> or call us to request a copy.
