The ratings contained in this subscription are issued by SQM Research Pty Ltd ABN 93 122 592 036 AFSL 421913. SQM Research is an investment research firm that undertakes research on investment products exclusively for its wholesale clients, utilising a proprietary review and star rating system. The SQM Research star rating system is of a general nature and does not take into account the particular circumstances or needs of any specific person. SQM's ratings may be subject to change at any time. Only licensed financial advisers may use the SQM Research star rating system in determining whether an investment is appropriate to a person's particular circumstances or needs. Financial Advisers should not refer to the SQM Research rating when issuing a statement of advice. You should read the product disclosure statement and consult a licensed financial adviser before making an investment decision in relation to this investment product. Please note, past performance is not a reliable indicator of the future performance of a financial product. SQM Research receives a fee from the Fund Manager for the rating of managed investment schemes.
